Now that our transformation from Tyson Strong Hill Connor LLP is complete, we are pleased to announce we now operate as The Tyson Law Group LLC. We continue to be proudly owned and operated by minority attorneys with over 15 years of combined experience representing state and local governmental units, developers, borrowers, major banking firms, trustees and underwriters on real estate, affordable housing, energy, tax exempt and taxable governmental financings and we will build upon our 4<sup>th</sup> place ranking as bond counsel in the State of Illinois.

The Tyson Law Group is uniquely positioned to continue providing cost-effective and high quality representation of the caliber of larger firms, while maintaining a high level of individual attention from an insider's view. We've changed. We've grown and we're more focused on working with you.
